The Federation of Euro-Asian Stock Exchanges holds 33rd Extraordinary General Assembly Meeting in Yerevan, Armenia

Yerevan, 2021: Today, the Federation of Euro-Asian Stock Exchanges (FEAS) announces the **33rd Extraordinary General Assembly** meeting in Yerevan, Armenia.

This is the first FEAS in-person gathering after Covid-19 global outbreak. Taking into consideration the global situation, the event is organized in hybrid format. The executives of the FEAS Member stock exchanges and depositories from around 12 countries visited Armenia, other members joined the event through the Zoom platform.

During the General Assembly Meeting, the participants discussed **FEAS Strategy** for the upcoming years 2022 - 2024, FEAS ongoing work, Membership Matters, and more.

Dr. Mohammad Farid Saleh, FEAS Chairman and EGX Executive Chairman said: "It is really thrilling to be meeting physically with friends and business colleagues of the FEAS after a long period of virtual events. Although FEAS Secretariat was always keen on engaging its members in all its virtual activities, including the e-voting for new board members, webinars, "Meet the Market" and many other initiatives, having this event held physically and with a good representation of FEAS members is remarkable.

I am looking forward to having engaging and fruitful meetings with FEAS members to discuss the future strategy and development of the Federation for the benefit of its members."

Dr. Konstantin Saroyan, FEAS Secretary General said: "It's a great pleasure to meet you all again, since the global pandemic. Today is an important day, as we discussed the FEAS Strategy for the upcoming years 2022 - 2024.

I would like to thank all our members who are here in Yerevan, and also members who joined us online. FEAS will continue working hard for its members and other stakeholders to reach mutually beneficial goals.

He also added: "Today's event will be followed by FEAS "Capital Market Talks" roundtable discussions, a closed event that will gather around 50 invitees".
